Camp Management Working Group, Kurdistan Region of Iraq

Terms of Reference

Purpose

Covering the Syrian refugee response in the Kurdistan Region of Iraq, the purpose of the Camp Management Working Group (CMWG) is to harmonize and standardize camp management methodologies and approaches employed by the Camp Management agencies, Camp Coordination (UNHCR) and Camp Administration. The CMWG will also provide strategic planning and direction for all aspects of camp management.

Geographical Coverage

The CMWG has a decision-making mandate for the Erbil Governorate camps, and covers the three governorates of the Kurdistan Region of Iraq (Duhok, Erbil, Sulaymaniyah) through information sharing. Strategies and tools developed by CMWG for the Erbil camps could be a working reference for the Duhok and Sulaymaniyah camps. When relevant, the sector meeting could be held in Duhok and Sulaymaniyah.

Accountabilities

Consistent with the overall objectives, priorities and targets decided by the members, the WG is accountable for:

- Effective inter-agency programme implementation, supported by common needs assessments/gaps and capacities analysis, programme design, evaluation, and reporting to maximize impact, prevent overlap, and minimize gaps;
- Common advocacy and resource mobilization platforms; and,
- Monitoring progress against key indicators and targets as set out at the inception of the sector

Objectives

Support to field-level coordination:
